## The Response is

The Mahindra Thar is an Indian off-road vehicle manufactured by Mahindra & Mahindra. It was first introduced in 2010 and is currently in its second generation. The Thar is based on the Mahindra CJ-3B, which was a licensed version of the American Willys Jeep. The Thar is available in both petrol and diesel engine options and comes with a four-wheel drive system. It is a popular choice for off-road enthusiasts and is often used for adventure and recreational purposes.
